

BABIES NEED YOU!

Parents, Grandparents, Aunts, Uncles, Neighbors...

There are babies in residential facilities who have no parents of their own....

Some of these babies have special needs and can benefit from early intervention services to help them with their development.

Because they are babies and can not speak for themselves or make decisions for themselves, they need an adult to do this for them.

We are seeking families who would be interested in serving as surrogate parents to some of these babies by attend a meeting 1 or 2 times per year to make sure that they get the services they need.

If you are at all interested, or know someone who might be, please call Desirée Suter at (973) 256-8484 x206 or email me at desiree@nreic.org.

THANKS SO MUCH FOR CARING!
